

Foodmax Clean E Spray

High performance electro cleaner

Description

Powerful degreaser for electrical contacts. Especially suitable for the safe and effective cleaning of electronic components. Evaporates quickly. Foodmax Clean E Spray will dry rapidly without leaving residues and is compatible with most plastics and elastomers. Foodmax Clean E Spray is registered NSF-K2.

Applications

Foodmax Clean E spray is a powerful, fast drying cleaner, ideal for cleaning electronic equipment and components in and around food processing areas, such as control panels, electric motors, electrical contacts

and switches. Thanks to its powerful cleaning properties Foodmax Clean E Spray is suitable for use in many industries besides food and pharmaceutical.

Benefits

- Will not interfere with conductivity
- Preventive function, will protect against moisture and oxidation
- Not harmful for most plastics and elastomers
- Does not contain mineral components

Typical performance data

Colour	Colourless
Density @ 20 °C, g/cm ³	0.685
NSF registration	153339
Kosher approved	Pending
HALAL approved	Yes
