

One hand grease gun with zinc plated steel barrel to suit 400g shuttle type cartridges, and an ergonomically designed pistol grip. Fast and clean loading and unloading without opening the gun, eliminating any contamination.

Product Code	Description
FG-LUBESHUTTLEGUN	Foodgrade Lubeshuttle Grease Gun

Ergonomic Side Lever Food Industry
Grease Gun With Hose

Two hand grease guns features a high quality zinc plated steel barrel body and an ergonomic hand grip to suit 400g shuttle type cartridges. Fast and clean loading and unloading without opening the gun, eliminating any contamination.

Product Code	Description
FG-2HLUBESHUTTLEGUN	Foodgrade Lubeshuttle Grease Gun

20 Litre Food Grade Drum Pump
Ezy-Action Drum Pump

Ezy-Action food grade hand -operated piston pump is made of polypropylene for resistance to chemicals, dispenses liquids at a rate of 15oz. per stroke, and is suitable for dispensing viscous fluids, hard acids, or alkali cleaning chemicals.

Product Code	Description
FG-PLASTICPUMP-025	Foodgrade Plastic Pump 25Lt

Drum Pump Pail Adapter
Adaptor Fitting

Drum Pump Pail Adapter is used to secure and lock the Ezy-Action drum pump into the pail.

Product Code	Description
FG-DRUMADAPTOR	White / Black Plastic Adapter

A classic grease gun that incorporates a unique variable stroke piston and valve arrangement for true one handed operation and can produce increased pressure through short strokes or high volume shot using a full stroke. Pistol-grip design to suit 450g grease cartridges, bulk filling or J3 grease transfer pump loading.

Product Code	Description
LA-K2901	Pistol Grip Grease Gun 450g

A lever-action grease gun designed for high pressure / high volume greasing and can easily clear blocked or damaged grease nipples. The grease gun features a durable die cast aluminium head, a heavy gauge steel barrel and a heavy duty follower assembly to handle a wide range of grease viscosities. Suits 450g grease cartridges, bulk filling or MacNaught J3 transfer loading.

Product Code	Description
LA-K4501	Lever Grease Gun 450g

The 20kg grease pump is suitable for bulk filling of manual or electric hand grease guns. With a durable cast aluminium alloy pump outlet body, it allows for the fast reload of grease guns, taking less than a minute. The nipple allows bulk fill to valve with diameters of 9mm and 12.5mm. Comes standard with a Rubber follower plate.

Product Code	Description
LA-DG93411	Manual Grease Pump 20kg

The complete set of fluid transfer accessories gives the end user a trouble-free using experience. The standard model is composed of 50:1 pump, trolley, follower plate and drum over, 4 meter of 1/4" connection hose, 'Z' swivel and control gun with a working pressure of up to 8700psi.

Product Code	Description
LA-DIT1700512	Air Operated Grease Pump 20kg

Designed for dispensing most service fluids including engine, gear, transmission, hydraulic and some engine coolants from 20L - 25L drums. An extendable suction tube and two additional bung adaptors ensure that the expanding range of different size and types of drums are easily catered for. An extra-long clear delivery hose gives easy identification of the fluid type and allows better reach into difficult areas.

Product Code	Description
LA-MAOP20	Drum Pump 20Ltr

60L or 205L Drum Pump
Lever Action Barrel Pump

The Lever Action Barrel Pump is a telescopic suction tube for either 60L or 205L drums. Comes with 1 - 1/2" & 2" bung adaptors. Can pump up to 500ml per stroke, depending on viscosity. Wetted materials: steel, aluminium, zinc, brass, NBR, viton and suitable for lubricating oils and service fluids.

Product Code	Description
LA-LLBP	Lever Barrel Pump 205Ltr

Rotary Pump

Rotary pumps offer easy self-priming and ability to deliver in both directions. For both 60 & 205L drums.
