

# NEW!

## Heavy Duty Polymer Remover NSF Approved

Optimise your manufacturing with powerful cleaning that is safe for your equipment.

- **Tough on Residue:** Effectively breaks down polymer deposits, plastic, anti-soluble resins, grease, and oils, leaving your equipment clean and ready for its next use.
- **Water Soluble:** Easy to use and rinse away, making your cleaning process straightforward.
- **Highly Active Organic Cleaner:** Potent to tackle even the most stubborn residues.
- **Aerosol Spray for Easy Application:** Convenient for direct application, for hard-to-reach spots, no waste.
- **Environmentally and Equipment Friendly**
- **Fluorocarbon-Free.**
- **Preserves Machine Components:** Helps to maintain your machine parts.
