

Foodmax® MF #20

HIGH PERFORMANCE FOODGRADE MULTIFUNCTIONAL FLUID

Product Code

262501101

Food Grade Spraycans

Nonfood Compounds
Program Listed H1
164559

High performance foodgrade multifunctional fluid

This product is a high-performance product formulated from special synthetic base oils and additives. Because of its tacky nature Foodmax MF will adhere strongly to metal surfaces very well resulting in very good water resistance. Foodmax MF is very oxidation stable and provides excellent protection against wear and corrosion.

Typical applications include, rails, slides, gears, hinges, chains, small bearings, cables, conveyors and linkages.

Benefits:

- Excellent protection against wear
- Resistant against water wash off
- Resistant against acids
- Excellent long term anti rust properties even in salt environments
- Non dripping

e 400ml

Typical Performance Data

Property	Value
Base oil nature	Synthetic
Appearance	Colourless
Viscosity @ 40 °C, cSt	150
Viscosity Index	120
Pour Point, °C	-15
Demulsibility, 30 min	40/37/3
