

## Foodmax Easy Spray

Lubricating white oil for general purposes in a spray can

### Description

Foodmax Easy Spray is a universal lubricant for use in food processing equipment where incidental contact with food may occur. Suitable for most applications where medium load is required.

NSF-H1 & 3H approved.

### Applications

Foodmax Easy Spray can be used as a general lubricant as a non-sticky chain oil, bearings and slides with low load, hinges and as a cleaning and conserving agent for stainless steel. Foodmax Easy Spray can be used as a food grade mould release oil as well.
